 - * Problem analysis and problem solving aptitude**
 - * Multiple and critical thinking aptitude**
- Development of two major skills (mandatory)**
- * Skill of connecting different knowledge**
 - * Skill of writing keyword-rich answers in the word limit**

WAY TO STUDY

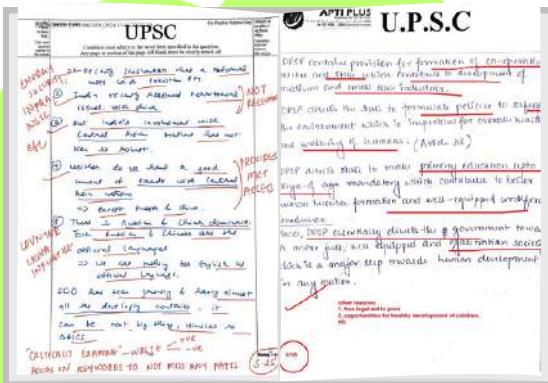

First read the question on the answer sheet carefully 2-3 times.

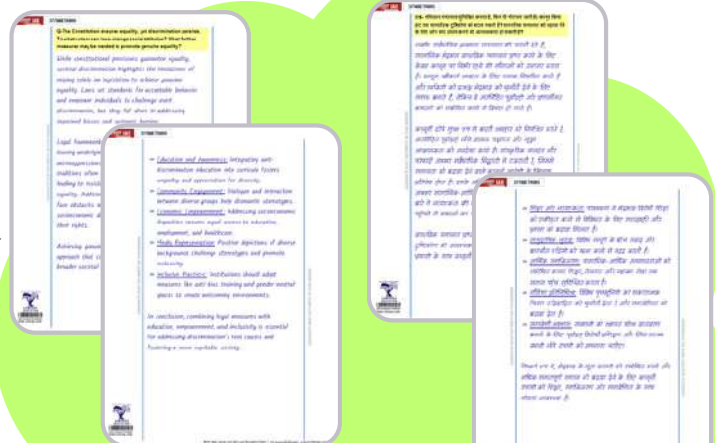

Write your answer, after writing the answer, scan the QR code given in the second page of the same answer sheet and upload the answer.

After this, read the reading/master notes given in the yellow pages carefully and note down important keywords for your answer.

Your answer will be checked and returned along with the 'Teacher Answer Key' of the same question.

Read the comments on your checked answer and try to correct your mistakes by comparing your answer with the 'Teacher Answer Key'.

THE STUDENT SHOULD TAKE THE FOLLOWING PRECAUTIONS WHILE WRITING THE ANSWER.

- >Write the answer as per the requirement of the question
- >Try to give more information/details in short sentences
- >Do not repeat sentences/points

- >You will get marks for points/keywords in the answer (80%)
- >Marks for fluency and alignment/line planning (5%)
- >Marks for neat and clean writing (5%)
- >Marks for grammatical accuracy (5%)
- >Marks for adhering to the word limit (5%)
